

The Dover Football League is a non-profit organization that includes teams from three tackle football divisions. These divisions are open to boys and girls in grades 2-8 from the local school district and surrounding towns, including Barrington and Nottingham. We participate in the Northeast Junior High School Football League, adhering to the National High School Federation rules.

Our mission is to foster a passion for football in young athletes by providing a safe, inclusive, and supportive environment where they can develop their skills, build character, and learn the values of teamwork, discipline, and sportsmanship.

Why Sponsor Us?

We recognize that your business receives numerous sponsorship requests from various leagues, tournaments, and non-profits. So, why choose us? We are a dedicated group of volunteers committed to preserving the tradition of youth sports. Our mission is to provide a safe, enjoyable, and competitive environment that both parents and players can take pride in. We focus on developing young athletes into mature and responsible community members.

How Will Your Sponsorship Be Used?

Your sponsorship will help us keep individual registration fees affordable, ensuring more children can participate in the sport. Similar programs often charge more than double what we aim to maintain. The funds raised will be used for field maintenance, equipment upgrades, high-quality jerseys, and covering game day costs like officials and trainer fees. By keeping fees low, we create an inclusive environment where children from all backgrounds can enjoy the benefits of sports, fostering teamwork, discipline, and a healthy lifestyle. Your contribution will significantly impact our community, helping us nurture young talent and promote the sport.
